

# More savings for you. More savings for your Super.

April 2021

NESS Super is the industry fund set up specifically for the electro-technology sector.

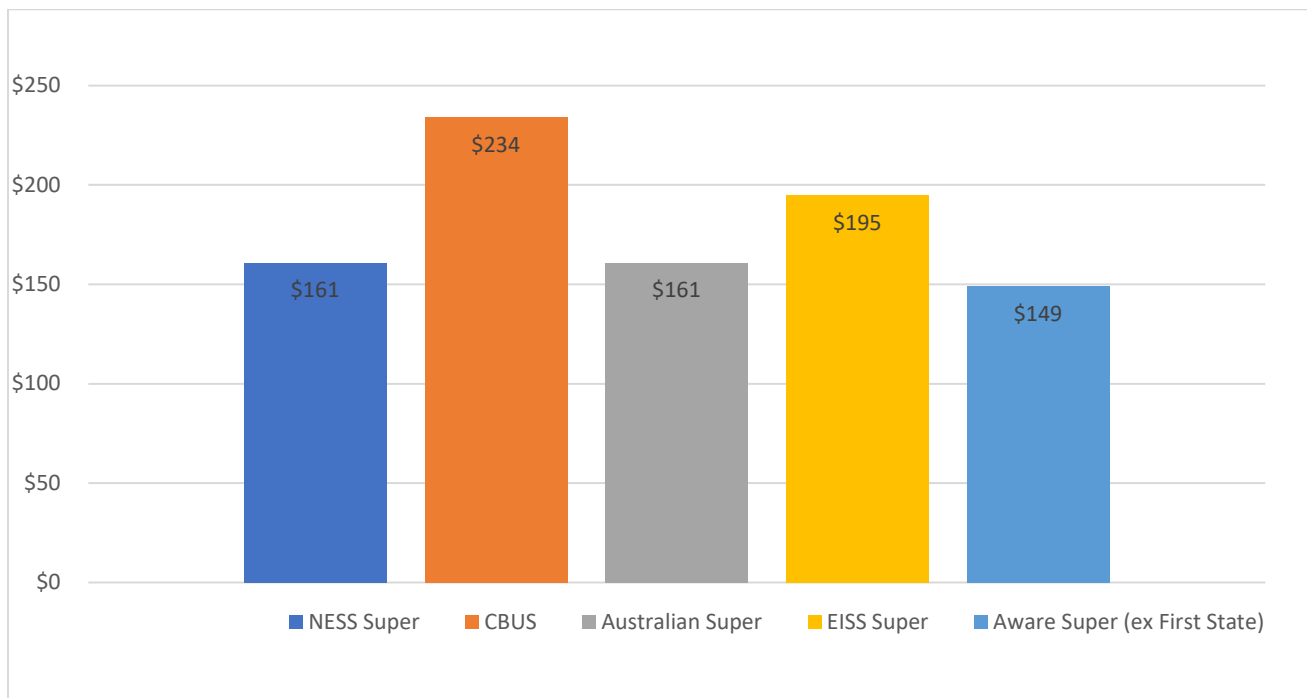

This means 2 things:

1. We are set up by your industry for your industry – you receive benefits specific to your line of work. An example of this is our tailored insurance offering.
2. We have low fees and return profits to members. This means more savings for our members.

## Want to see this for yourself?

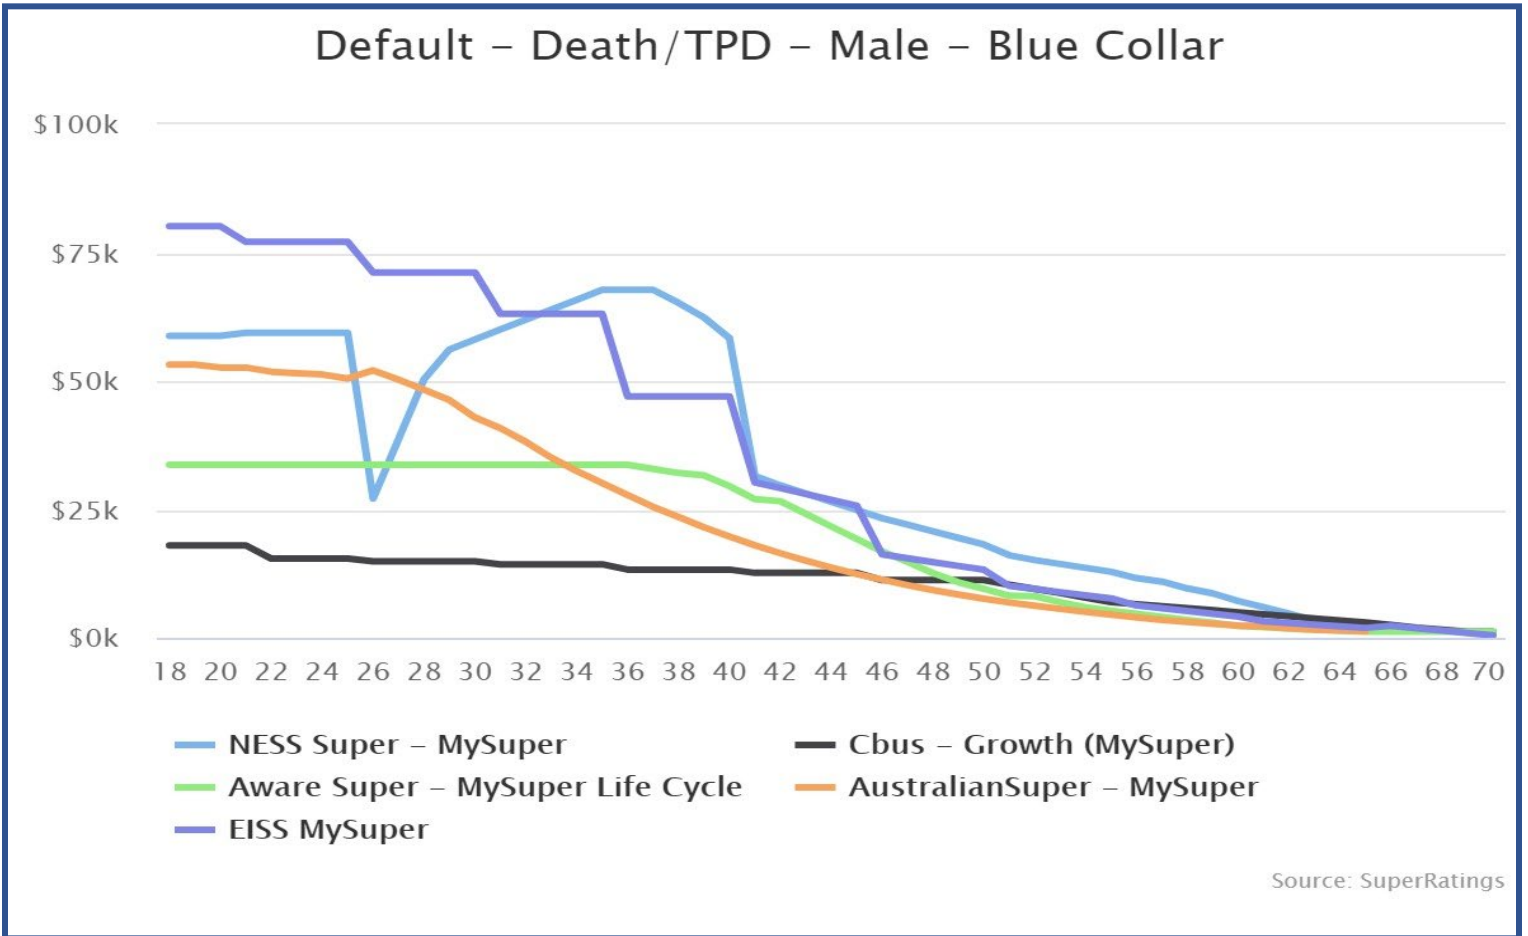

Here is a comparison of NESS Super's fees and insurance premiums against other funds in the industry.
