

NESS Super workplace visits

Now is a great time to arrange a workplace meeting with NESS Super, so you and your business can leverage the value of superannuation.

Did you know that superannuation is one of the most significant employee benefits available? It's important to work with your preferred superannuation fund to make the most of this opportunity and deliver value back into your business.

NESS Super can help add value for your business in the following ways:

- Payroll – explore ways we can save your business time and make things easier for you
- Employee Benefits program – look at ways in which NESS Super can help you attract and retain talent through enhancing your employee value propositions using superannuation
- Workplace support – look at ways we can help you with new employee onboarding
- Toolbox talks – provide superannuation education in the workplace for employees and apprentices

So, why not arrange a workplace visit from Calvin Lake today?
